Mentoring Postgraduates Students

No.	Student Name	Degree	Research Type	Year
1	Anwar Kamal	Master	Peptic ulcer effect on some blood standards	2005
2	Rasha Abd Almahdi	Master	Clinical significance of enzyme B-Lactamase	2005
3	Riad Muneer	Master	Lactamase as an indicator for heart stroke	2006
4	Areej Ghazi	Master	The effect of breastfeeding on some blood and biochemical factors	2006
5	Sameer Swadi	Master	Some physiological and immunological changes concurrent with viral hepatitis (type B) in the province of Babylon	2010
6	Yousef Rasheed	Master	Estimated concentrations of three antibiotics residues in the tissues of the sacrificed chicken meat after the cooking process	2014
7	Reyam Salih	Master	Sugar effects on diabetic devices and some biochemical standards	2015

Subjects Taught

No.	Grade	College	Subject	Year
1	First	Medicine	Physiology/ Blood physiology	2004
2	First	Medicine	Physiology/ Blood physiology	2005
3	Second	Medicine	Physiology/ Blood physiology	1996
4	Second	Medicine	Physiology/ Blood physiology	1997
5	Second	Medicine	Physiology/ Blood physiology	1998
6	Second	Medicine	Physiology/ Blood physiology	1999
7	Second	Medicine	Physiology/ Blood physiology	2000
8	Second	Medicine	Physiology/ Blood physiology	2001
9	Second	Medicine	Physiology/ Digestive system physiology	2002
10	Second	Medicine	Physiology/ Digestive system physiology	2003
11	Second	Medicine	Physiology/ Digestive system physiology	2004
12	Second	Medicine	Physiology/ Digestive system physiology	2005
13	Second	Medicine	Physiology/ Digestive system physiology	2006
14	Second	Medicine	Physiology/ Digestive system physiology	2007
15	Second	Dentistry	Physiology/ Blood and Digestive system physiology	2004
16	Second	Dentistry	Physiology/ Blood and Digestive system physiology	2005
17	Second	Dentistry	Physiology/ Blood and Digestive system physiology	2006
18	Second	Dentistry	Physiology/ Blood and Digestive system physiology	2007
19	Third	Science/ Qadisia university	Physiology/ Hormones physiology	2006

Dr. Hasan Gatie Al-Awady

Subjects taught during my postgraduates studies

No.	Level	College	Subject	Year
1	Masters	College of Medicine/ Microscopic	Seminars	2003
2	Masters	College of Medicine/ Microscopic	Seminars	2004
3	Masters	College of Medicine/ Microscopic	Seminars	2005
4	Masters	College of Medicine/ Microscopic	Seminars	2006
5	Masters	College of Medicine/ Microscopic	Seminars	2007
6	Masters	College of Medicine/ Chemistry	Physiology	2004
7	Masters	College of Medicine/ Chemistry	Physiology	2005
8	Masters	College of Medicine/ Chemistry	Physiology	2006
9	Masters	College of Medicine/ Chemistry	Physiology	2007
10	Masters	College of Medicine/ Chemistry	Physiology	2004
11	Masters	College of Medicine/ Chemistry	Seminars	2005
12	Masters	College of Medicine/ Chemistry	Seminars	2006
13	Masters	College of Medicine/ Chemistry	Seminars	2007
14	Masters	College of Medicine/ Chemistry	Seminars	2007
15	Masters	College of Medicine/ Physiology	Digestive system physiology	2006
16	Masters	College of Medicine/ Physiology	Digestive system physiology	2007
17	Masters	College of Medicine/ Physiology	Seminars	2006
18	Masters	College of Medicine/ Physiology	Seminars	2007
19	Masters	College of Medicine/ Physiology	Digestive system physiology	2008
20	Masters	Veterinary College	Digestive system physiology	2015
21	PhD	Science College/ Chemistry	Blood physiology	2005

Participations in scientific magazines and journals

- 1- College of medicine magazine editorial member – Babylon University since 2003
- 2- College of medicine bulletin editorial member – Babylon University since 2003
- 3- College of medicine bulletin editorial director – Babylon University since 2003

Discussing scientific research, studies, thesis and plans

- 1-Discussed a vast number of masters and PhD students thesis, researches and studies
- 2-Discussed many postgraduates' students research and plans studies in Iraqi universities

Dr. Hasan Gatie Al-Awady
